If you believe a child is **at immediate risk** of significant harm or injury, you **must** call the police on 999.

Introduction

Little Cuckoos is committed to safeguarding and promoting the welfare of children. We will fulfil our local and national responsibilities as laid out in the following key documents:

- Working Together to Safeguard Children (2023)
- Keeping Children Safe in Education (2025)
- The procedures of the Safeguarding Vulnerable People Partnership (formerly WSCB)
- Information sharing - Advice for practitioners providing safeguarding services to children, young people, parents and carers (2024)

The aim of this policy is to ensure:

- all our pupils are safe and protected from harm.
- safeguarding procedures are in place to help pupils to feel safe and learn to stay safe.
- adults in the school community are aware of the expected behaviours and the school's legal responsibilities in relation to safeguarding and child protection.

Scope

Safeguarding children is defined as:

- providing help and support to meet the needs of children as soon as problems emerge
- protecting children from maltreatment, whether that is within or outside the home, including online
- preventing impairment of children's mental and physical health or development
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care

The term 'safeguarding children' covers a range of measures including child protection procedures. It encompasses a whole-school preventative approach to keeping children safe, including online that incorporates pupil health and safety; school behaviour management and preventing child-on-child abuse; supporting pupils with medical conditions; Relationships, Sex and Health (RSHE) education and Personal, Social, Health and Economic (PSHE) education; providing first aid and site security.

Consequently, this policy is consistent with all other policies adopted by the governors and should be read alongside the following policies relevant to the safety and welfare of our pupils:

- Code of conduct, Staff Behaviour policy
- Whistleblowing policy
- Our curriculum: teaching and learning policy
- Policy – Use of Mobile Phones and Cameras
- Health and safety policy
- Valuing Diversity and Promoting Equality Policy
-

This policy applies to all staff in our school. For the purposes of this policy:

- **Staff** refers to all those working for or on behalf of the school, full-time or part-time, in a paid or regular voluntary capacity.

- **A volunteer** is a person who performs an activity that involves spending time, unpaid in school (except for approved expenses).
- **Parent** refers to birth parents and other adults who are in a parenting role, for example step-parents, foster carers and adoptive parents.
- **Child** refers to all children on our school roll and any child under the age of 18 who comes into contact with our school. This includes unborn babies.

Any safeguarding concerns or disclosures of abuse relating to a child at school, outside of school and online are within the scope of this policy.

Expectations

All staff are:

- familiar with this safeguarding policy and have an opportunity to contribute to its review.
- alert to signs and indicators of possible abuse and wider safeguarding issues.
- aware of the importance of professional curiosity.
- able to record and report concerns as set out in this policy.
- able to deal with a disclosure of abuse from a child.
- involved in the implementation of individual education programmes, integrated support plans, child in need plans and interagency child protection plans as required.

In addition, all staff have read and understood Part 1 or Annex A of the latest version of Keeping Children Safe in Education (KCSiE 2025). School leaders and staff who work directly with children have also read Annex B and Part 5.

Governors

As key strategic decision makers and vision setters for the school, the governors will make sure that our policies and procedures are in line with national and local safeguarding requirements. Governors will work with the senior leaders to make sure the following safeguarding essentials are in place:

Concerns and allegations management

Our chair of governors is responsible for liaising with the Local Authority Designated Officer for allegations (LADO) and other partner agencies in the event of an allegation of abuse being made against the Manager/s.

See also 'Managing concerns and allegations against staff'.

Audit

The nominated governor (NG) for safeguarding collaborates with the Manager and the D/DSL to complete an annual safeguarding audit return to the local authority.

Safer Recruitment

Our governors monitor the preschool's safer recruitment practice, including scrutiny around DSL and /or manager monitoring of the Single Central Record.

Monitoring and review

The manager/s ensure that the policies and procedures, adopted by the governing body (particularly those concerning referrals of cases of suspected abuse and neglect), are understood, and followed by all staff and should be easily understood by staff, children and parents, by re-visiting regularly.

The preschool's approach to safeguarding procedures is reviewed annually as a minimum.

Governors ensure that safeguarding is an agenda item for every full governing body meeting.

The manager/s ensure that safeguarding is an agenda item for every staff meeting.

This policy is reviewed annually or earlier as required by changes to legislation or statutory guidance.

Mandatory procedures – Staff and adults at school

Safer recruitment

All staff are subject to safer recruitment processes and checks, and we follow the guidance set out in Part 3 of KCSiE (2025).

At Little Cuckoos, we scrutinise all applications for paid or voluntary posts. We undertake interviews and make appropriate checks through the Disclosure and Barring Service (DBS). We maintain a single central record (SCR) of the essential checks as set out in KCSiE, that have been carried out and certificates obtained. The SCR applies to:

- all staff (including supply staff and teacher trainees on salaried routes) who work at the school.
- all governors/members of the proprietor body (for independent schools, academies and free schools).

Assurances are sought for contractors who are required on site, including identification checks on arrival. Appropriate vetting checks are carried out by the school for self-employed individuals.

Visitors

All visitors complete a signing in/out process and expected visits are shown on a board in the classroom.

Scheduled visitors in a professional role (e.g. fire officer, police, NSPCC staff) are asked to provide evidence of their role and employment details (usually an identity badge) upon arrival at school. Careful consideration is given to the suitability of any external organisations. School complete an assessment of the education value, the age appropriateness of what is going to be delivered by the scheduled visitor prior to booking a visit.

If the visit is unscheduled and the visitor is unknown to the school, we will contact the relevant organisation to verify the individual's identity, if necessary.

Site safety

Risk assessments are undertaken and maintained in accordance with the school's health and safety policy. The school ensures that when our premises are hired or rented to other organisations (ASC, evening and weekend clubs) including shared site providers who work with children, those organisations adhere to the guidance for out-of-school settings.

Off site visits and exchange visits

We carry out a risk assessment prior to any off-site visit and designate the specific roles and responsibilities of each adult, whether employed or volunteers. We seek written assurances from any alternative provision provider that appropriate safer recruitment checks have been completed, and safeguarding policy & procedures are in place.

Where there are safeguarding concerns or allegations that happen offsite, staff will follow the procedures described above and in the SVPP flowcharts as appropriate. A copy of the flowcharts is taken on off-site visits for reference.

Any adult over 18 in a host family will be subject to DBS checks. We work with partner schools abroad to ensure that similar assurances are undertaken prior to any overseas visit by our pupils.

See also Training.

Staff Behaviour Policy (for safer working practice)

Little Cuckoos is committed to positive academic, social and emotional outcomes for our pupils underpinned by a strong safeguarding ethos. We are equally committed to the protection and welfare of our staff, who are expected to adhere to the highest standards of professional behaviour.

The Staff Behaviour Policy sets out staff behaviours that should be avoided as well as those that constitute safe practice and supports our commitment to safeguarding children.

Teaching staff are additionally expected to act within the guidance of the 'personal and professional conduct' section of the Teachers' Standards.

Identifying the signs

All staff know how to recognise and are alert to the signs of neglect, abuse, exploitation, and wider safeguarding issues, including but not limited to child-on-child sexual violence and harassment, child-on-child abuse, and 'all' risks of harm outside of the home and within the local area including online. Definitions of abuse, set out in 'What to do if you're worried a child is being abused - Advice for practitioners' (2015), 'Keeping Children Safe in Education' (2025) along with notes from safeguarding training, are important reference documents for all staff. Every member of staff is provided with a copy of Part 1 or Annex A of KCSiE which they are required to read, and which also includes supporting guidance about several specific safeguarding issues. Staff who work directly with children are also required to read Annex B and Part 5 of KCSiE (2025).

Responding to concerns/disclosures of abuse

Flowcharts provided by Wiltshire Council Safeguarding Team and SVPP that set out the required procedure for staff to follow when they have a safeguarding concern about a child are displayed in the staffroom and adult cloakrooms for easy reference.

Staff adhere to the organisation's safeguarding training requirements when concerned about abuse or when responding to a disclosure of abuse. Staff understand that they must NOT:

- take photographs of any injuries.
- postpone or delay the opportunity for the child to talk.
- take notes while the child is speaking or ask the child to write an account.
- try to investigate the allegation.
- promise confidentiality e.g. say they will keep 'the secret'.
- approach or inform the alleged abuser.

All staff record any concern about or disclosure by a pupil of abuse or neglect and report this to the D/DSL using the standard form. It is the responsibility of each adult in school to ensure that the D/DSL receives the record of concern without delay. In the absence of the D/DSL, staff members know to speak directly to the IFD. In some circumstances, the D/DSL or member of staff seeks advice by ringing the IFD for advice.

The D/DSL will liaise with safeguarding partners and work with other agencies in line with Working Together (2018) and will refer to National Police Chief's Council guidance for schools to understand when they should consider calling the police.

The D/DSL will provide as much information as possible as part of the referral process. This will allow any assessment to consider all the available evidence and enable a contextual approach to address such harm.

The D/DSL consistently monitors all children with concerns, whether a request for service to the Wiltshire IFD or appropriate Local Authority Children's Services has been made or not.

During term time, the DSL and/or a DDSL is always available during school hours for staff to discuss any safeguarding concerns. The D/DSL provides feedback to any staff who share concern/s.

The voice of the child is central to our safeguarding practice and pupils are encouraged to express and have their views given due weight in all matters affecting them.

Photography and images

To protect children we will:

- Seek informed parental consent for photographs to be taken or published (for example, on our website or in newspapers or publications) via our enrolment forms
- Only take photos and videos of children to celebrate achievement on Cuckoos devices (Ipad /Mobile)
- Not use a child's name with an image
- Ensure that children are appropriately dressed
- Encourage children to tell us if they are worried about any photographs that are taken of them.

At events such as the Christmas nativity play and end of year Graduation

Managing concerns and allegations against staff (including supply teachers, volunteers and contractors, and those from organisations or individuals using the school premises)

Little Cuckoos follows the procedure set out by the SVPP 'Allegations against adults' flowchart which is displayed in the staffroom/kitchen for easy reference.

Where anyone in the preschool has a concern about the behaviour of an adult (including online) who works or volunteers at the preschool, including supply staff and contractors, and those from organisations or individuals using the preschool premises, they must immediately consult the manager/s who will refer to the Local Authority Designated Officer for allegations (LADO).

Any concern or allegation against the Manager/s will be reported to the Chair of Governors without informing the Manager/s.

All staff must remember that the welfare of a child is paramount and must not delay raising concerns for fear a report could jeopardise their colleague's career. Little Cuckoos promotes an open and transparent culture in which all concerns about adults working in or on behalf of the school (including supply teachers, volunteers and contractors) are dealt with promptly and appropriately.

Any allegation of abuse will be dealt with in a fair and consistent way that provides effective protection for the child and at the same time supports the person who is the subject of the allegation.

In addition to the concern/allegation management process, the school's DSL will also refer suspected abuse to the Wiltshire IFD or appropriate Local Authority Children's services as described in 'responding to a concern.'

All members of staff and volunteers have read and signed to confirm they have understood the preschool's Staff Behaviour Policy (for safer working practice), all supply staff and contractors are made aware of expectations of their behaviour.

Concerns and allegations reported relating to supply staff and contractors will be notified to their employers for investigation and potential referral to LADO.

Managing low-level concerns about adults

Little Cuckoos operates a 'low-level' concerns policy in accordance with KCSIE. 'Low-level' refers to behaviour that is: inconsistent with expectations set out in the Staff Behaviour Policy, including inappropriate

conduct outside of work, and/or does not meet the allegations threshold, or is otherwise not considered serious enough to consider a referral to the LADO.

All low-level concerns will be reported to the Manager/s; low-level concerns about the Manager/s will be reported to the chair of governors.

Little Cuckoos will:

- ensure all staff are clear about what appropriate behaviour is (as set out in the Staff Behaviour Policy), and are confident in distinguishing expected and appropriate behaviour from concerning, problematic or inappropriate behaviour, in themselves and others;
- empower staff to share any low-level safeguarding concerns;
- provide a responsive, sensitive and proportionate handling of such concerns when they are raised, for both the child/ren and the adult; and,
- respond to reports of low-level concerns in accordance with our HR conduct procedures by addressing unprofessional behaviour and support the individual to correct it at an early stage. If the concern has been raised via a third party, the headteacher will collect as much evidence as possible by speaking:
 - directly to the person who raised the concern, unless it has been raised anonymously;
 - to the individual involved and any witnesses.

Reporting low-level concerns helps to create and embed a culture of openness, trust and transparency in which the preschool's values and expected behaviour are constantly lived, monitored and reinforced by all staff.

Staff are encouraged to self-refer where they have found themselves in a situation which could be misinterpreted, might appear compromising to others, and/or on reflection they believe they have behaved in such a way that they consider falls below the expected professional standards.

All low-level concerns will be recorded in writing, retained and reviewed to help recognise any weakness in the preschool safeguarding system so that potential patterns of concerning, problematic or inappropriate behaviour can be identified.

Whistleblowing

In accordance with our preschool's whistleblowing policy and procedures all staff and pupils can raise concerns about poor or unsafe practice and potential failures in the school safeguarding regime. Our whistleblowing procedures (including our child-friendly whistleblowing mechanisms), which are also reflected in staff training and our staff behaviour policy, and shared with pupils, are in place for such concerns to be raised with the manager/s. Systems are in place and well promoted so that children can confidently report concerns or abuse, knowing their concerns will be treated seriously, and knowing they can safely express their views and give feedback.

If a staff member feels unable to raise an issue with the manager/s or feels that their genuine concerns are not being addressed, other whistleblowing channels are open to them:

- The NSPCC whistleblowing helpline
Staff can call: 0800 028 0285 from 08:00 to 20:00, Monday to Friday, or email help@nspcc.org.uk.
- A member of the governing body: Arran Bennett

Escalation of concerns

Effective working together depends on an open approach and honest relationships between colleagues and between agencies.

Staff must be confident and able to professionally disagree and challenge decision-making as an entirely legitimate activity; a part of our professional responsibility to promote the best safeguarding practice. Staff are encouraged to press for re-consideration if they believe a decision to act/not act in response to a concern raised about a child is wrong. In such cases the SVPP Case Resolution Protocol is used if necessary.

If we are on the receiving end of a professional challenge, we see this as an opportunity to reflect on our decision making.

Record keeping and information sharing

The preschool:

- liaises with partner organisations to ensure any safeguarding records for learners are shared on transition and within 5 days for an in-year transfer or within the first 5 days of the start of a new term:
 - by the setting/school/organisation previously attended by the child.
 - by our DSL when the child leaves our school.

For any child dual-registered with another school/setting/organisation, the preschool continues to be responsible for the safeguarding of the placed pupil thus the DSL will regularly liaise with the DSL at that base to ensure information is shared in the child's best interests. This includes contextual safeguarding information about relationships that young people form in their neighbourhoods, schools and online to enable assessment and intervention to happen within these extra-familial contexts.

keeps clear and comprehensive written records of all pupil safeguarding and child protection concerns using a standard recording form with a body map, including how the concern was followed up and resolved as well as a note of any action taken, decisions reached and the outcome. This should include instances where referrals were or were not made to another agency such as LA children's social care or the Prevent program, etc.

- ensures all pupil safeguarding and child protection records are kept securely in a locked location.
- ensures the records incorporate the wishes and views of the pupil when appropriate.

The D/DSL acts in accordance with Information Sharing – Department for Education (DfE) (May 2024) and in line with the Wiltshire Council Record Keeping Guidance which includes details about file retention. Information about pupils at risk of harm is shared with members of staff in keeping with the seven golden rules to sharing information in the DfE guidance.

We are committed to work in partnership with parents and carers. In most situations, we will discuss initial concerns with them. However, the D/DSL will not share information where there are concerns that if so doing would:

- place a child at increased risk of significant harm
- place an adult at increased risk of serious harm
- prejudice the prevention, detection or prosecution of a serious crime
- lead to unjustified delay in making enquiries about allegations of significant harm to a child, or serious harm to an adult.

When we become aware that a child is being privately fostered, we remind the carer/parent of their legal duty to notify Wiltshire Children's Social Care. We follow this up by contacting Children's Social Care directly.

Mandatory procedures – Supporting children

A culture of listening to children

We have a whole preschool approach to listening to children and have systems in place which create an environment where children feel safe to share their concerns and worries and know they will be taken seriously. These systems operate with the best interests of the child at their heart.

Children can safely express their views and give feedback. The preschool's safeguarding team are clearly identifiable to our pupils.

Curriculum

Our pupils access a broad and balanced curriculum (age and stage of development appropriate) that promotes their spiritual, moral, cultural, mental and physical development, and prepares them for the opportunities, responsibilities and experiences of life.

- We introduce key elements of keeping children safe into our programme to promote the personal, social and emotional development of all children, so that they may grow to be strong, resilient and listened to and that they develop an understanding of why and how to keep safe.
- We create within the setting a culture of value and respect for the individual, having positive regard for children's heritage arising from their colour, ethnicity, languages spoken at home, cultural and social background.
- We ensure that this is carried out in a way that is developmentally appropriate for the children.

Remote learning

If the school is required to change the way provision to children is offered due to exceptional circumstances e.g. during a pandemic lockdown, self-isolation, staff responsibilities to remain alert to the signs and risks of abuse to children will continue to apply. In such circumstances:

The DSL will:

- work closely with social care and partner agencies to support children in these circumstances and to identify children who may be at risk for the first time and/or benefit from additional support
- use specific local and national guidance about safeguarding in such circumstances to inform practice e.g. UK Safer internet centre guidance, DfE safeguarding and remote education and will ensure staff, children, and families are provided with written:
 - amended DSL arrangements as required (names, location and contact details)
 - temporary changes to procedures for working with children e.g. online.
 - amended procedures for reporting concerns
 - safeguarding training arrangements
 - timescales for such changes so that all children, families and staff understand when such arrangements will end, and arrangements revert to those in place prior to the events leading to the need for the temporary changes.

We will ensure the curriculum we offer during such circumstances, continues to promote learners' spiritual, moral, cultural, mental and physical development.

Early help

At Little Cuckoos, all our staff can identify children who may benefit from early help as a problem emerges and discuss this with the D/DSL.

The D/DSL uses:

- The Wiltshire's Integrated Front Door (MASH and Early Support Hub).
- The Digital Assessment and Referral Tool as appropriate as part of a holistic assessment of the child's needs.

- The Multi-Agency Thresholds guidance for Safeguarding Children on the Safeguarding Vulnerable People Partnership (SVPP) website about suitable action to take when a pupil has been identified as making inadequate progress or having an unmet need.
- Liaises with Wiltshire SEND service
- Various resources to identify and respond to harmful sexual behaviour

Children with Special Education Needs and Disabilities (SEND) or physical health issues

Pupils with additional needs or certain health conditions face an increased risk of abuse and neglect. Staff take extra care to interpret correctly apparent signs of abuse or neglect. We never assume that behaviour, mood or injury relates to the pupil's additional needs without further exploration. Staff understand that additional challenges can exist when recognising abuse and neglect in pupils with SEND, including communication barriers. Staff recognise that children with SEND are also at a higher risk of peer group isolation and can be disproportionately affected by bullying (including prejudiced-based bullying).

To address those additional challenges, extra pastoral support is considered for children with SEND or physical health issues and they are also encouraged to discuss their concerns. The D/DSL works with the Special Educational Needs Co-ordinator (SENCo) to identify pupils with additional communication needs and whenever possible, these pupils are given the chance to express themselves to a member of staff with appropriate communication skills.

The use of 'reasonable force' in the preschool

There are circumstances when it is appropriate for staff to use reasonable force to safeguard children. The term 'reasonable force' covers the broad range of actions used by staff that involve a degree of physical contact to control or restrain children. This can range from guiding a child to safety by the arm, to more extreme circumstances such as breaking up a fight or where a young person needs to be restrained to prevent violence or injury. 'Reasonable' in these circumstances means 'using no more force than is needed'. The use of force may involve either passive physical contact, such as standing between pupils or blocking a pupil's path, or active physical contact such as leading a pupil by the arm out of the classroom. Little Cuckoos follows DfE advice for schools is available at [Use of Reasonable Force in Schools](#).

All staff will follow our behaviour policy and all pupils are encouraged to follow these expectations to reduce the need for the need for 'use of reasonable force.' Staff will work in collaboration with pupils and parents/carers to plan positive, proactive behaviour support which may include support plans, referral to specialist agencies and agreeing actions to reduce the occurrence of challenging behaviour.

Children who are absent and/or missing from education

Staff report immediately to the D/DSL, if they know of any child who may be:

- Absent from education persistently, or for prolonged periods and/or on repeat occasions
- Missing – whereabouts unknown or
- Missing education – (compulsory school age (5-16) with no school place and not electively home educated)

The designated teacher for CLA and care leavers discusses any unauthorised/unexplained absence of Child Looked After with Virtual School when required.

The DSL shares any unauthorised/unexplained absence of children who have an allocated social worker within 24 hours.

Children who do not attend school regularly can be at increased risk of abuse and neglect. Where there is unauthorised/unexplained absence, and

- after reasonable attempts have been made to contact the family without success, the DSL follows the SVPP procedure and consults/refers to the IFD team as appropriate.

- there are no known welfare concerns about a pupil, we follow our procedures for unauthorised absence and report concerns to the Education Welfare Service.

Mental health

All staff are aware that mental health problems can be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.

Staff understand that:

- abuse and neglect, or other potentially traumatic adverse childhood experiences can have a lasting impact throughout childhood, adolescence and into adulthood. Staff are aware of how
- these experiences can impact on children's mental health, behaviour and education.
- they have a duty to observe children day-to-day and identify those whose behaviour suggests that they may be experiencing a mental health problem or be at risk of developing one.

If staff have a mental health concern about a child that is also a safeguarding concern, they will report this concern using the agreed reporting mechanisms.

Domestic abuse

Staff understand that domestic abuse is any incident or pattern of incidents of controlling, coercive, threatening behaviour, violence or abuse between those aged 16 or over who are, or have been, intimate partners or family members regardless of gender or sexuality. The abuse can encompass but is not limited to: psychological; physical; sexual; financial; and emotional harm, including where they see, hear or experience its effects.

The DSL liaises with partner agencies as part of 'Encompass' in Wiltshire. When police are called to an incident of domestic abuse, where there are children in the household who have experienced the domestic incident, the DSL ensures the organisation receives up to date relevant information about the child's circumstances and will ensure key staff provide emotional and practical support to the child according to their needs.

Preventing radicalisation

Protecting children from the risk of radicalisation is part of schools' wider safeguarding duties and is similar in nature to protecting pupils from other forms of harm and abuse.

Staff use their judgement in identifying pupils who might be at risk of radicalisation and speak to the D/DSL if they are concerned about a pupil. The D/DSL will always act proportionately, and this may include making a Prevent referral to the Channel support programme or to the Local Authority Childrens Services.

Female Genital Mutilation (FGM)

FGM is illegal in the UK and a form of child abuse with long-lasting harmful consequences. Staff will inform the D/DSL immediately if they suspect a girl is at risk of FGM. We will report to the police any 'known' cases of FGM to the police as required by law.

Forced Marriage

Forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats or any other form of coercion is used to cause a person to enter into a marriage.

Since February 2023 it has been a crime to carry out any conduct whose purpose is to cause a child to marry before their eighteenth birthday, even if violence, threats or another form of coercion are not used. As with the existing forced marriage law, this applies to non-binding, unofficial 'marriages' as well as legal marriages. Staff will inform the D/DSL immediately if they suspect a child is at risk of forced marriage.

Staff training

Induction

The welfare of all our pupils is of paramount importance. All staff including governors and regular volunteers are informed of our safeguarding policy and procedures including online safety, at induction.

Our written induction schedule for staff also includes:

- Safeguarding and Child Protection policy and procedures
- Online safety
- KCSiE update
- Whistleblowing policy
- Behaviour Policy (pupils)
- Staff Behaviour Policy (or Code of Conduct)
- Role and identities of the DSL and DDSL
- The school's response to children who are absent and/or missing from education, and the school's protocol about managing absence
- Procedure to follow in case of an allegation being raised against an adult
- Professional disagreement and escalation including the SVPP Case Resolution Protocol

Safeguarding training

This training is for all staff and is updated every 3 years as a minimum to ensure staff understand their role in safeguarding. Any member of staff not present at this whole school session will undertake this statutory training requirement on their return.

In addition, all staff members receive safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings) as necessary and at least annually. All staff also receive training in online safety and this is updated as necessary.

Advanced training

The D/DSL has additional multi agency training which is updated every two years as a minimum. The D/DSL also attend multi-agency courses relevant to school needs. Their knowledge and skills are refreshed at least annually e.g. via e-bulletins or safeguarding networking events with other D/DSLs. The D/DSL attend a Wiltshire IFD tour.

Safer Recruitment

At least one person on any appointment panel has undertaken Safer Recruitment Training. This training is updated every five years as a minimum.

Preventing Radicalisation

All staff undertake Prevent awareness training.

Staff support

Due to the demanding, often distressing nature of child protection work, we support staff by providing an opportunity to talk through the challenges of this aspect of their role with a senior leader and to seek further support as appropriate.

Governors

As well as the school's safeguarding induction programme, all governors and trustees receive appropriate safeguarding and child protection (including online) training at induction. Safeguarding training is updated every three years as a minimum. Governors are also encouraged to attend whole school safeguarding and child protection training.

Children Act 1989 (and 2004 update): The Children Act 1989 gives every child the right to protection from abuse and exploitation and the right to have enquires made to safeguard his or her welfare. The Act place duties on several agencies, including schools, to assist Social Services departments acting on behalf of children and young people in need (s17) or enquiring into allegations of child abuse (s47).

Education Act 2002 - This requires schools to make arrangements to safeguard and promote the welfare of children and to have regard to guidance issued by the Secretary of State for Education.

Mental health and behaviour in schools (2018) advice to help schools to support pupils whose mental health problems manifest themselves in behaviour. It is also intended to be helpful to staff in alternative provision settings, although some of the legislation mentioned will only apply to those alternative provision settings that are legally classified as schools.

The Safeguarding Vulnerable Groups Act (2006) Section 53(3) and (4) of this applies to schools if they broker student accommodation with host families for which the host family receives a payment from a third party, such as a language school.
